

GET CLOSE TO THE NEW SLS
AMG AT AN OPEN DAY NEAR YOU.

See it before it takes off.

For a very limited time, the all-new Mercedes-Benz SLS AMG will be touring our showrooms nationwide. This is a rare opportunity for you to get close to the super sports car that, since 1954, has defined exhilaration. But with 0-100km/h acceleration in just 3.8 seconds, you'll need to be quick to catch it.
